

International Association of Sport and Leisure Infrastructure Management

IASLIM

Invitation and offer for cooperation

The Association is a non-governmental and non-profit international organization for the promotion of the sustainable development of society, the environment and infrastructure for sports and leisure. It was founded in 2008. The association is a network of organizations, companies and managers of sports infrastructure and a link with the sports industry.

We invite you to introduce yourself and cooperate with the managers of the sports centers.

- Present your message and offer on our website!
€100 / month and connection costs between the two websites
- Present your message and offer in the association's electronic publication!
€500 / half page
- Present yourself at international conferences, seminars and meetings
€1,000 / event / presentation, promotion, promotional materials

Cooperation with sports center managers will increase your visibility in the markets.
